Mr. Malcolm S Samuel

MA, MBBS, MCPS, DOMS, FRCS
Certified Laser Refractive Surgeon

Born and educated in Pakistan, Mr Samuel received his medical degree from Nishtar Medical College in Pakistan in 1982.

After completing his training in Medicine and Surgery at Christian Hospital Taxilla, Mr Samuel joined the ophthalmology department at Christian Hospital Taxilla, Pakistan. He was trained and worked in the ophthalmic department of Taxilla hospital from 1983 to 1989. During this period he passed two post graduate diploma examinations in Ophthalmology:

MCPS (Member of College of Physicians and Surgeons of Pakistan)

DOMS (Diploma in Ophthalmic Medicine and Surgery)

In 1989, he relocated to the UK for further training in Ophthalmology. He worked in different NHS hospitals in the UK. He received Fellowship in Ophthalmology from Royal College of Surgeons, Glasgow in 1995.

Working in different NHS hospitals he gained wide experience in cataract, glaucoma and lid surgery. He has wide experience in using all kind of ophthalmic lasers for anterior and posterior segments of the eye.

Mr Samuel started doing Laser Refractive surgery in 1999. Since then he has performed over 12500 laser eye treatments including PRK, LASEK and LASIK. Mr Samuel has vast experience in wavefront technology and also the new state of the art femtosecond lasers to perform LASIK treatments.

Mr Samuel had keen interest in Health Care Ethics. He received a Masters degree in Health Care Ethics in 2003. Currently he is a member of the Ethics Committee of the Royal College of ophthalmologists.

Mr Samuel also provides Laser Refractive Surgery training to NHS ophthalmologists through Didactic courses and wet lab workshops. He is the Course Director of York Refractive Surgery Courses.

He is also a council member of British Society for Refractive surgery (BSRS)

Mr Samuel is one of the very few Laser refractive surgeons in the UK to have passed the laser refractive surgery assessment by Royal College of Ophthalmologists.

Mr Samuel has full registration with the General Medical Council.

He is a member of BMA. He is also a member of United Kingdom and Ireland Society of Cataract and Refractive Surgery and a member of European Society of Cataract and Refractive Surgery.
